BOARD HIGHLIGHTS

2024-2025 BUDGET

Our Board of Education approved the budget for the 2024-2025 school year. The budget features \$99M in revenues and \$102.5M in expenses, after amortization, this creates a \$1.7M cash draw, which will be offset by using reserve funds. Our Board has continued to work diligently to ensure their number one priority of supporting the classroom remains a focus of this budget. Please see the [Media Release](#) for more information.

THANK YOU RIVER STREET PROMOTIONS

River Street Promotions' partnership with Prairie South Schools is a true testament to the phrase 'it takes a village'. It's incredibly uplifting to see River Street Promotions actively engaging in efforts to raise awareness, break stigma, and provide support for those navigating mental health awareness and prevention. Their commitment not only fosters a more understanding

and compassionate community here in southern Saskatchewan but also directly impacts the lives of many who may be struggling silently. Today, the Prairie South Board of Education held a special luncheon and presented River Street Promotions with a special gift during the Board Meeting as a thank you for being advocates for mental well-being and for making a difference in the lives of our students and school communities.

RETIREMENT CELEBRATION

Prairie South celebrated their retirees at a Retirement Banquet on June 5. Your contributions have impacted the lives of our students, staff, parents, and community members.

May your retirement be filled with all the joy, relaxation, and fulfillment you deserve. We wish you all the best!
