ORDERING TRANSCRIPTS:

NEW MyCreds TRANSCRIPT REQUEST PROCESS: is as follows:

1. Submit your PERSONAL email (non-school, non-parent) that you will use after grade 12 to your administrator or admin assistant in the office. From there they will submit your email address to MSS and then connect that email you provided with MyCreds. This may take a day or two.
2. Go to this website: [High School or Adult 12 Transcripts](#)
3. Once you have clicked the button you will be taken to a screen that will require you to fill out your information. This will also include a section where you will need to provide a picture of your photo ID, as well as a picture (selfie) of you with your photo ID included (right next to your face). After submitting all the information you should receive an email within a few days letting you know that you're setup to access MyCreds and begin sharing your transcripts with post-secondary institutions.
4. Each share of your transcripts will cost \$15.00 per institution.

FOR STUDENTS AND PARENTS FROM PREVIOUS ISSUES: OLD STUFF

- Are you interested in university, but a little nervous? [Bridge To Campus](#) is an organization dedicated to help students in rural communities access resources when applying to university and experience a seamless transition into university by setting up students with webinars and 1:1 mentoring. Although they are based in McGill, they will help all students. Students, parents, and teachers are welcome to contact them, and all services are FREE.
- Students 16-18 interested in volunteering in the health care field, consider the Volunteering Program where you go into hospitals and health centres to spend time with patients and help health care professionals. Contact [John Paul Hickie](#) (306-630-7405).
- If you have any type of disability and you plan to attend post-secondary in the fall, contact the [Saskpolytech Accessibility Services](#) or [U of R Accommodations](#) or [U of S Access and Equity Services](#). Start the process as early as possible.

- Looking for scholarships? Check out the [Scholarship Library from mycampusgps.ca](https://mycampusgps.ca). It's a paid service, but you can acquire great information to be able to be well-prepared in grade 11 to apply for scholarships in grade 12.
- If what you're doing to help you figure out some career possibilities just doesn't seem to be working, you can have a look at a [Career Assessment](#) from Ken Coleman. It provides you with some assessments to lead you to understand your talents, passion, mission, and vision, as well as some practical options for potential industries and occupations that could be in your wheelhouse.
- Are you taking training for a trade for your post-secondary or are you entering the workforce in a trade? If so, you have only a short time to complete your [Sask. Youth Apprenticeship Challenges](#). Doing SYA allows you to acquire 300 hours of trade time, free level 1 technical training (potentially saving nearly \$900), free registration (\$250 savings), and a shot at one of the 100 scholarships worth \$1000 across the province.
- Students 16-18 who are interested in volunteering in the health care field, consider the Volunteer Program where you would go into hospitals and health centres to spend time with patients and help health care professionals. Contact [John Paul Hickie](#) (306-630-7405).
- Learn about education lines of credit, scholarships and bursaries, Can/Sask. Student Loans, First Nations and Metis Band Funding, and other post-secondary funding at the [RDIEC](#) event: Parents as Career Coaches: Funding your Child's Education.
- Keep up to date on the [RDIEC YouTube Channel](#) for all the newest virtual spotlights.
- Interested in health sciences? Saskatchewan has agreements with post-secondary institutions in other provinces to reserve seats for eligible Saskatchewan residents in specific health training programs not offered here. The programs include Respiratory Therapy, Nuclear Medicine, Diagnostic Medical Sonography (Ultrasound), Occupational Therapy, Magnetic Resonance Imaging (MRI), Cardiovascular Perfusion, Electroneurophysiology, and Prosthetics and Orthotics are offered in Alberta and BC schools.
- Have a look at the [Health Science Fact Sheet](#) for more information on health programs in and outside the province. Check out the expansion of the [Health Training Program Opportunities](#).
- [WorkSafe Saskatchewan](#) provides residents of Saskatchewan with free, online health and safety education certification. This is a great opportunity to include in your resume when applying for a job. Courses include Bullying in the Workplace, Hazard Identification, Mental Health, Violence in the Workplace, WHMIS, and many others. [Course descriptions](#) are available. Once you go through the [registration](#), and declare yourself as a Saskatchewan resident, your total cost will be zero dollars. You can then begin taking the courses you chose.
- Before someone from a university or technical school comes by your high school, have a look at these [tips to prepare for post-secondary representatives](#).

FOR CWEX, CAREER ED., FIN. LIT., SCIENCE, PAA TEACHERS, CAREER COUNSELLORS: NEW STUFF

- The U of Calgary has an exciting [lineup of tours and events](#) and initiatives for the upcoming year, including a [virtual Counsellor Update on February 13, 2025](#). During this session, we'll be discussing key changes to admissions as we prepare for the fall 2026 application cycle.

FOR CWEX, CAREER ED., FIN. LIT., SCIENCE TEACHERS, CAREER COUNSELLORS: OLD STUFF

- [Register your school](#) for the USask College of Medicine's brand-new student outreach program called PrairieMD. PrairieMD is a student-driven presentation that will allow your high school students in Saskatchewan to hear a medical student's journey into the Doctor of Medicine (MD) program, the process of applying to medical school, and learn about career opportunities working in medicine. If you have any questions, please email med.admissions@usask.ca.
- If you are a CWEX teacher, Career Counsellor or have anything to do with anything careers, do two things. **One**, join the STF Professional Growth Network known as SCWEA (Sask. Career and Work Education Association). Please contact scweapgn@gmail.com regarding membership. **Two**, regardless if you are a member or not, mark your calendar and sign up for the SCWEA Career Connection Conversation held at 4:00 pm on the first Tuesday of each month. Sessions run about an hour. Experts in a variety of areas spend time in a virtual meeting to explain the ins and outs of various topics pertinent to careers. In the October conversation, here's what you missed: new graduation requirements, transcripts, high school planning. To sign up, click on [this link](#) and you will receive a teams invite.
- Sask. Apprenticeship has a new SYA Program Development Specialist, [Alora Heinrichs](#) (306-227-7801). Contact Alora for information on career fairs and SUTIL inquiries. In the south of the province, contact [Mandy Derr](#) (306-527-1730). She is the SYA Program Consultant in the Regina office, and she coordinates SYA presentation requests in the south half of the province, VR presentation requests, and MyATC assistance.
- If you wish to book a presentation from Sask. Apprenticeship, contact the main office (306-787-2444) in the Regina office. Three presentations are available:
 - Saskatchewan Youth Apprenticeship (SYA) (overview of skilled trades, apprenticeship process, and educates students on SYA—45 minutes)
 - Saskatchewan Youth Apprenticeship and Virtual Reality (condensed overview of skilled trades, apprenticeship process, and educates students on SYA, followed by the opportunity for students to try out a trade using VR technology—3 hours)
 - Saskatchewan Youth Apprenticeship and MyATC Registration (overview of skilled trades, apprenticeship process, and educates students on SYA, followed with a student registration walkthrough of MyATC—60 minutes)

There are **2 pathways** schools can choose to participate in free training from Sask. Safety Council:

- **Career Safety Education Guided Pathway** – This is a hands-off system that allows students to take 1 course at a time in a specific order to help build their knowledge at each step. They take New Worker Readiness, Mental Health Resiliency, WHMIS, Hearing Protection and lastly, an industry elective. This ensures the learner is building the knowledge at each step that can be used to help understand the next course content. To register for the Career Safety Education, complete the profile request form [here](#).
- **Self-Learning Pathway** – The learner is given access to all the free training, allowing them to pick and choose what courses to take based on what they need. This pathway is recommended for those that already have a foundational knowledge of workplace safety, risks, hazards, and control measures so they can comprehend the material in the courses. It is also the one used if you only want a single course or access to courses in a different sequence than is recommended. For all-access to the programs in the self-learning pathway, complete the profile request found [here](#).

What teachers responsible for young workers need to know:

- **Commonly Confused** - Young Workers Readiness Course & Career Safety Education
- **Young Workers' Readiness Course** is a single course that is required to work in Saskatchewan for those aged 14 and 15 only.
- **Career Safety Education** is a series of voluntary training courses designed to prepare new workers at all ages for employment in Saskatchewan.
- [Register for MyATC here. Use this Cheat Sheet](#) to help you register.

- Skills Canada Saskatchewan: Trade and Tech Day is an opportunity for students to hear a one-hour presentation from Jayden Leister, a Skills Canada alumnus, who will speak about his involvement with Skills and how it prepared him for a technical career in the Royal Canadian Navy. Following the presentation, there will be two to four Try a Trade and Technology activities for students to receive some hands-on experiences in a variety of industries. If you are interested in a Trade and Tech Day and your school, please contact at [Jayden Leister](#).
- Keep up to date on the [RDIEC YouTube Channel](#) for all the newest virtual spotlights.
- Anyone teaching Career and Work Exploration (CWEX) please contact [Jeff Feeley](#) for CWEX employer folders, certificate frames, gifts, CWEX binder, or anything else related to CWEX. Or if you are new to teaching CWEX, please contact him to learn more about running the course. CWEX calendars are ready to go on [Connect](#).

APPRENTICESHIP AND TRADES INFO: OLD STUFF

- [What is Apprenticeship Brochure](#) can provide information for those interested in apprenticeship trades.
- [Entrance Requirements-for-Apprenticeship Training](#) explains the high school grades and classes required to apprentice in each specific trade.
- [Journey through Apprenticeship](#) explains the process involved in becoming a journey person and the difference in getting there via direct apprenticeship versus pre-employment.
- From Sask. Apprenticeship: All SYA Champions and SYA Participants will need to have a MyATC account. New students are registered through MyATC. SYA Champions can approve youth apprentice registrations, and request and access completion certificates. SYA Participants can view levels completed and print their completion certificates and will use MyATC to apply for apprenticeship when they are ready. If you were registered with us as a school before January 10, 2022, you will have a code that you will use to register. Your code will never expire and can be used to set up multiple SYA Champs. If you've lost your code or you are a brand new school please contact us at youthapprenticeship@gov.sk.ca.
- A guide to explain how to get registered for MyATC can be found [here](#). If you have questions, contact Sask. Youth Apprenticeship at youthapprenticeship@gov.sk.ca. You can find MyATC [here](#).

UNIVERSITY OF ALBERTA: NEW STUFF

- N/A

UNIVERSITY OF ALBERTA: OLD STUFF

- Students can indicate their interest in living in residence as part of the application for admission. After doing so, they will receive application instructions to their U of A email address. Qualifying first year students must submit their residence application by April 30 to be guaranteed a spot in on-campus residence housing on North Campus and Campus Saint-Jean. [Click here](#) to register.
- As part of their application for admission, students should report all completed and ongoing Grade 11 and 12 courses, as well as those they are planning to take. They may see a warning directing them to declare enough courses to be evaluated for admission - not doing so may result in a hold decision. If they have nothing else to add at that time, they can submit their application and provide new courses/marks using the Grade Update Form released in February.
- For students interested in applying to the Faculty of Nursing or Faculty of Education, most will be required to complete the Acuity Insights Casper Assessment.* Prospective nursing students should visit this web page or contact nursing.recruiting@ualberta.ca. Prospective education students should visit this web page or contact edrec@ualberta.ca. Sign up for the [Casper Test](#).
- Apply for [Entrance Scholarships here](#).
- Check out all the other counsellor events throughout the year [right here](#).
- Throughout the year, there are many events and activities that are important to students. Check out the [events page](#) for all you need to know.
- Applications opened on Oct. 1. Learn more about [how to apply](#).
- [U of A Getaway](#) is a program where 20 Grade 11 students will be selected to get away to the U of A like never before... Their adventure will bring them to North Campus in Edmonton where they will stay in residence, tour state-of-the-art facilities and hidden gems and explore our beautiful city. Applications close January 31.
- [Campus Tours](#) are often the best way for students to picture themselves here is to visit campus. Take a campus and/or residence tour at any of our three campuses and get an inside look at our vibrant spaces and U of A community.
- Information on [taking the Casper assessment](#) is good to know before applying to the Faculty of Nursing or the Faculty of Education where students will be required to complete the Acuity Insights Casper Assessment.

- The Faculty of Engineering is piloting a flexible admissions pathway to expand access to engineering for students who may not have all of the five required high school courses for admission. Visit the Engineering Admissions web page or contact engginfo@ualberta.ca.
- The Indigenous Recruitment Office is available to answer questions for Indigenous students and counsellors. Their team of coordinators can advise on application preparation, program selection, student financing, sponsorship and identity documentation. They also host on-campus events and Indigenous campus tours. Questions can be directed to [Trevor Phillips](#), Assistant Registrar, Indigenous Enrolment Management.
- International students currently studying in Canada on a study permit may require additional support with their application. Whether they have questions about transcripts, English Language Proficiency requirements or scholarship opportunities, we can help at mapleleaf@ualberta.ca.
- The School of Dentistry is now offering a direct-entry 10-month Dental Assistant Certificate where students will participate in both internal clinical assisting components in the School of Dentistry Oral Health Clinic and an external practicum in a dental office. This is a great opportunity to receive hands-on experience and learn alongside future Dentists and Dental Hygienists. More information can be found [here](#).

GAP YEAR:

- Unsure of what you wish to do after grade 12? Consider [Discover Year](#), an innovative one-year life skills program that helps young adults better understand what they want and build the skills they need to go out and get it. Students learn a variety of skills and have experiences that prepare them for life after their gap year, whether that be the workforce or a post-secondary program. They get to travel, plan and do community service projects, do teamwork activities, learn financial literacy skills, and more. Application deadline for Discover Year is Aug 15 yearly. [Apply here](#).
- [Discover Year](#) has a virtual [Info Session](#) on Jan. 23. Other info sessions will take place Mar. 13, and May 13.
- Or check out [The Canadian Gap Year Association](#) for different options for a gap year after grade 12. Instead of an in-person year of activities, this organization has [several specific programs](#).
- [Stepabroad](#) is another option for a gap year. It's advertised as a working holiday. Destinations include Australia, Japan, New Zealand, United Kingdom, Spain, South Korea, and France, and the duration is anywhere from one month to three years, depending on the location. They assist students with acquiring work visas and all the red tape. This program is in conjunction with the Federal Government's International Experience Canada (IEC) Program. Other countries also offer the option of a working holiday. See the full list [here](#).

SASKATCHEWAN REGIONAL AND CAREER/VOCATIONAL COLLEGES: OLD STUFF

OTHER POST-SECONDARY INSTITUTIONS IN SASKATCHEWAN

CAREER COLLEGES

- [Career Colleges](#) also known as private vocational schools, offer over 160 vocational training programs in Saskatchewan to prepare students for employment in a specific occupation such as business, health services, fashion, esthetics, hairstyling, and more. These schools are privately owned and operated but must be registered with the Ministry of Advanced Education and have approval of the programs they offer.

SASKATCHEWAN REGIONAL COLLEGES

- There are seven regional colleges across the province. They offer numerous post-secondary opportunities including trades (the same program offered by Sask. Polytechnic) and university classes (from the University of Saskatchewan and University of Regina), in addition to personal interest programs and courses. Often, these programs are not filled as quickly as Sask. Polytechnic programs. The regional colleges and head offices include:
 - [Carlton Trail College](#)--Humboldt
 - [Northlands College](#)--La Ronge/Air Ronge
 - [Great Plains College](#)--Swift Current
 - [Suncrest College](#)—(Yorkton and Melfort--merger of former Parkland and Cumberland College)
